

Sacrifice of Praise

Verse 1

C#m **A** **G#m** **E**
It's a sacrifice of praise that I place at the altar
C#m **A** **E**
An offering that comes right through my heart
C#m **A** **G#m** **A**
My weary spirit testifies, my brokenness proclaims
C#m **A** **E**
That it's a sacrifice of praise to my King

Chorus

C#m **B** **G#m** **A**
So I bring me here, and I lay me down
C#m **B** **G#m** **B** **E**
And I give myself as a holy, living, pleasing sacrifice

Verse 2

Fragrance of love let my life be burnt with
Obedience may always dwell in me
No questioning, no arguing but seeking you throughout
It's a covenant I make to You Lord

Bridge

A **B**
Let Your will be done, let Your will be done
A **B** **E**
Let Your will be done, let Your will be done in me
