

Then Sings My Soul

Verse 1

G **Em** **Bm** **D**
If you're walking in the way for which you don't have a clue
G **Em** **Bm** **D**
Just praising your saviour is the best you can do
G **Em** **Bm** **D**
When life brings you shame & there's chaos in your mind
Am **Em** **Bm** **D**
Just honouring His name is where your peace you'll find

Chorus x 2

G Em Bm D
Then sings my soul my saviour God to Thee
Am G Em D
The creator of the universe He's the one who heard my plea
G Em Bm D
I'll give my glory and honour all to Him
Am G D G
For His mercies are everlasting & His praise will set us free

Verse 2

When the darkness closes in & there's a shadow in your world
When there's all you can see is a deep shadow in yourself
When the life you hold so dear is just a vapour full of fear
Then just know it in yourself that His righteousness draws near
